

CERTIFICATE OF ATTENDANCE

HERCULES

HIGHER EUROPEAN RESEARCH COURSE FOR USERS OF LARGE EXPERIMENTAL SYSTEMS

Academic year : 2010 - 2011

Aleksandr KALINKO born on 29/03/84 in Riga, Latvia

Registered in the doctoral programme of : Institute of Solid State Physics, Riga, Latvia

Attended from February 27th to March 30th 2011 the course: **HERCULES 2011**

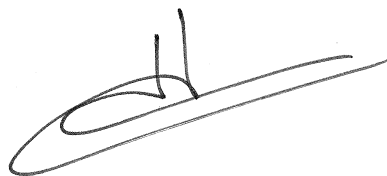

Presented a poster “EXAFS data analysis using quantum chemistry and molecular dynamics simulations” which was well evaluated by a scientific panel

SESSION : PHYSICS AND CHEMISTRY OF CONDENSED MATTER

Grenoble, April 4th 2011

José BARUCHEL
Head of the X-ray Imaging
Group of the ESRF
Director

Daniel BELLET
Professeur à l'Institut National
Polytechnique de Grenoble
Director

Olivier ISNARD
Professeur à l'Université Joseph
Fourier, Grenoble
Director

David DJURADO
Directeur de recherche
au CNRS, Grenoble
Director of studies
